## Pro-am Rules:

Must use your highest average of the 2018-19 league season

Handicap is based on 90% of 200

Each Pro-am bowler will be paired with one pro every game

All prize winners are subject to average verification

All amateurs without an approved average will bowl scratch

Amateurs should arrive one hour prior to their scheduled squad time to check-in and receive their lane assignment

All normal PJBT rules apply - tournament director has final say on all decisions

## Pro-am Format:

All bowlers bowl 3 games on same pair of lanes

It is 9 pin no-tap. 9 pins down constitute a strike

Pros will rotate pairs after each game

Results are final after 3 games

Payouts will be 1:5 per youth for scholarship and 1:5 adults for cash

No cash will be offered to any bowler sanctioned youth

\*Balls at \$80 only if purchased in advance with entry by May 17th at 11:59pm.
