Divisions: Ages are based on bowler's age as of August 1, 2016. Bowlers born on 8/1/2004 and later are in U12. Bowlers born between 8/1/2001 and 7/31/2004 are in U15. Bowlers born between 8/1/1996 and 7/31/2001 are in U20. Youth-eligible bowlers only.

Bowling: This event is USBC certified. All squads will have fresh oil, using a short, medium, and long pattern. If a squad has less than 72 participants, bowlers may compete on un-bowled lanes for more than one game. All contestants bowl six games, moving pairs each game. Contestants roll two games on each of the three patterns. Lanes assigned at check-in; with no divisional separations. After the announcements, bowlers get 17 minutes of practice, with the first half of practice conducted on any pair used for competition. Bowlers receive bowling balls when recaps are returned. Some or all competition may be live-streamed on the internet via YouTube. By bowling in this event, you accept to be part of our live-stream coverage. Please contact the tournament director prior to competition if you do not want to bowl on a pair that is live-streamed.

Procedures: All scholarship fees returned 100%. Re-entry permitted if room allows; only highest score will be considered for prizes. If a squad reaches entry limit, re-entries will be asked to bowl a later squad. Any inappropriate behavior that violates the Youth Bowling Code will result in a warning first, then disqualification. Bowlers caught smoking outside by any tournament director during bowling will be immediately disqualified. Squads close if/when entry limit is reached. Bowlers arriving after third frame of first game must forfeit missed frames. Problems with scoring, wrong lane, foul line malfunctions, etc. **MUST be brought to the tournament directors' attention immediately.** If bowlers must be moved to a different pair of lanes during a game, the bowlers are allowed one ball of practice on each lane. **One lane courtesy is required, no more, no less.** Abrasive material may not be used on a bowling ball once practice has completed. Only bowlers, tournament officials and volunteers, and center officials permitted in bowling areas during bowling. No flash photography and tobacco usage. Tournament directors' decisions are final. Behave. Have fun.

Additional: Brackets, high game, and eliminators will be offered separately to all divisions for scholarships. If there are less than 8 signups for brackets in any division, then boys and girls will be combined for that age group... if still not enough entries, combining age groups will be considered; announcements will be made if changes are to be made.

Junior Gold Qualifying: JG qualifying cost is \$25. Based on 2017 entry fee rates, one in eight U20 advance, one in six U15 advance, and one in four U12 advance. Per JG rules, you may only attempt to qualify during your first squad. Ties broken by higher last game. **Be aware that ages for Junior Gold qualifying are as of 8/1/2017... bowlers born 8/1/1997 and after can qualify for 2018 Junior Gold.**

Wardrobe: Look neat and presentable. Shirts must have sleeves; collared or mock-collar bowling shirts or jerseys suggested. Please, no ripped, torn, or revealing clothing or cut-offs. Neatness counts. Management may deny participation to bowlers inappropriately dressed.

Scholarships: Scholarships will be awarded separately in all divisions. Scholarships are awarded on at least a 1:6 basis, based on total entries in each division, and are held with SMART #8717. Payouts and results will be posted on the weekend after conclusion of competition.
