NEW SCHOLARSHIP MONEY POLICIES

For 2025-2026, the PJBT will continue to manage all Scholarship Funds internally until further notice.

When graduation from High School comes, you can contact the PJBT to obtain your scholarship.

Congratulations! You have won scholarship money at today's PJBT event. Below are the new PJBT Scholarship Policies and Claiming Rules. Please note these for your records.

The PJBT does not send out statements. Once you earned your first scholarship, you will receive an email with your login ID and password to login to your MAPS Account. It is bowlers responsibility to check their own account and make sure it is accurate.
